Note: Plan C & Plan F aren't available if you turned 65 on or after January 1, 2020, and to some people under age 65. You might be able to get these plans if you were eligible for Medicare before January 1, 2020, but not yet enrolled.

*Plans F and G also offer a high-deductible plan in some states. You must pay for Medicare-covered costs (coinsurance, copayments, and deductibles) up to the deductible amount of \$2,870 in 2025 before your policy pays anything.

**For Plans K and L, after you meet your out-of-pocket yearly limit and your yearly Part B deductible (\$257 in 2025), the Medigap plan pays 100% of covered services for the rest of the calendar year.

***Plan N pays 100% of the costs of Part B services, except for copayments for some office visits and some emergency room visits.
