8am-3pm

Free Diabetic Eye Screening

Do you have diabetes?

Diabetic eye disease is the #1 cause of blindness in working age Americans, and vision loss is preventable with EARLY detection and intervention. We hope with providing free screenings, we can help shorten the disparity of healthcare within our community.

What to expect

- Professional eye screening
- Help coordinating follow up care
- Opportunity to speak with a Navigator/Facilitated Enroller regarding health coverage
- Diabetic health information
- Free blood sugar checks
- Free healthy snacks

Schedule today or learn more at
www.retinaassociatesofwny.com

Retina Associates of Western NY
160 Sawgrass Drive, Suite 200
Rochester, NY 14620

This event is free to anyone in our community 18+.
